EXPERIENCE TRUE INDULGENCE WITH THE BRUCE'S EXPERIENCE IN ONE OF THE WORLD'S NEWEST AND MOST EXCLUSIVE DESTINATIONS, THE TURNBERRY LIGHTHOUSE SUITE.

Your dedicated Attaché will personally pick you up from the airport* and you will be driven directly to The Turnberry Lighthouse Suite, through the old runways which are a lasting symbol of Turnberry's history and the effect of both World Wars. On arrival, your Attaché will be happy to unpack your belongings before giving you an orientation of your suite and the resort.

Each night of your stay includes dinner and you can choose from a variety of bespoke dining options. Enjoy a candle lit dinner on the terrace cooked by a private chef or savour the atmosphere created within one of the hotel's restaurants or bars.

On return to your room, retreat from the hectic nature of everyday life and watch the waves rise and crash on the rocks below from the comfort of your suite.

If you wish to discover more of the resort and its local area, your Attaché will be delighted to escort you.**

The Turnberry Castle Experience also includes one tee time on the reborn Ailsa course and, if you decide to bring the children, a nanny for up to eight hours per day allowing the whole family to truly make the most of their Turnberry stay.
